

# E-service for parents with children attending preschool or an out of school centre

Via [boras.se/self-service](https://boras.se/self-service) you can:

- apply for a place for your child
- switch or cancel a place
- make changes to your child's attendance dates and times
- update your contact details
- submit details of your income to calculate the amount you pay

Using the preschool and out-of-school centre e-service will result in less paperwork, you will receive an answer to your enquiries more quickly, and you will have a better overview of the information you have submitted. By updating your contact details via the e-service, staff can get in touch with you without delay in an emergency. If you register your email address, you will receive a speedier response from us, and there will be no need to send out letters by post.

All e-services are available via [boras.se/self-service](https://boras.se/self-service). Click on 'E-service' and then choose an option, such as 'Apply for a preschool place'. If you wish to see the full list of options, click on 'All self-service related to school and preschool'. You can log in using your BankID or eID.

Are you unable to use the e-service? If that is the case, you are welcome to contact the Preschool Administration at Olovsholmsgatan 32, or the preschool and out-of-school centre coordinator. Contact details are available via the City of Borås switchboard, 033-35 70 00, or at [boras.se/forskola](https://boras.se/forskola).
